

## SNOW WHITE SIDE

- 4 Here goes. (four has a baseball cap which he wears differently for each dwarf. Dwarf 5 giggles/ Dwarf 3 yawns / Dwarf 2 panics/ Dwarf 1 very fierce, Dwarf 6 precise and kind Dwarf / 7 voice of authority / Dwarf 4 is the story teller)  
Everybody wake up! Wake up!
- 1 What's going on? (fierce)
- 2 Are we on fire? (panicking)
- 3 Why..... (sleepy) why did you wake us up?
- 5 (giggling) Yeah why? Why did you wake us up? Tell us.
- 6 Give him a chance and he will.
- 4 Thanks six.
- 5 It's a surprise isn't it. (giggling) I love surprises. Is it my birthday! Where are my presents? There they are. I see them. Hidden in your bed. Under the blankets. I'm going to open them.
- 4 Don't! There's a girl!
- 5 (Giggling) A girl!
- 4 Yes. A girl.
- 1 (fierce) What girl?
- 2 (panicking) A girl! A real girl?
- 3 (Sleepy) Is she asleep?
- 4 Yes. She's asleep in my bed.
- 5 (Giggling) Is she wearing your pyjamas?
- 4 I didn't look.
- 2 (panicking again) What if she wakes up? What do we? What do we say? Will I have to clean my teeth?
- 4 We all crowded round my bed and stared at the young child who was still sleeping. For a long time no one said anything and then.....
- 2 What.....what's she doing here?
- 1 It doesn't matter what she's doing here. She's no right to go to sleep in one of our beds without asking. Wake her up and kick her out.
